Sub:- C.PS - S.Kanara Project area - Electrification of - Loans requirements - Diversion for other purposes - Proposals.

Ref:- From the P.E.O., South Kanara Ref.2067/54-F dated 12-1-1956.
-do- -do- dated 27-2-1956.

In his reference on p. 1 c.f. the P.E.O., Mangalore submitted proposals for the sanction of Rs.50,000/- for disbursement as loans for Rural Housing purposes in his area over and above the sum of Rs.1 lakh provided for. As he did not then indicate the source from which he proposed to meet this additional demand he was asked to indicate the head from which he proposes to effect the diversion. His report in this regard on pp. 7-9 c.f. may be perused. If as stated by him the C.E.E.(S) is not in a position to spend the entire amount of Rs.15 lakhs for extension of electricity in S.Kanara area before 1-10-56 and if as stated by the P.E.O. the expenditure on electricity extension upto that date is expected to run upto only Rs.12.133 lakhs, there will be no objection in sanctioning the diversion of Rs.50,000/- from the balance of Rs.2.867 lakhs that will be left out of the Rs.15 lakhs provided for electricity. Even if the C.O.E.(S) has proposals on hand for the balance amount it should be made sure that he will be actually in a position to spend the amount before 1-10-56. Otherwise there is no need to take up any proposals for extension of power with that balance amount and the P.E.O. may be given what he wants, so that the amount at our disposal may be utilised fully before the close of the project period.

In the above circumstances it is for orders whether the remarks of the C.O.E.(S) on the P.E.O.'s letter may be obtained in the first instance. Subject

to orders a draft endorsement is submitted on p. 10 c.f.

P.W.D. may see before issue.

Loans for rural housing.

The Project Executive Officer, South Kanara, tells me that he has applied for an additional allotment of Rs.50,000/- for loans for rural housing. This is being dealt with in R.D.P.V under C.No.6696 and a reference has been issued to Project Executive Officer asking whether funds would be available. There is no scarcity of loans funds in the South Kanara Project and the additional allotment can be granted immediately.

The proposal of the P.G.O. Rangalore is on ff 7-9 of. below. The P.G.O's proposal is for the diversion of Rs 50,000/- for Rural housing from the sum of Rs 15 lakhs allotted for Extension of Electricity on the ground that the entire Rs 15 Lakhs will not be required for Extension of Electricity. Hence it has been referred to the CO E (S) for remarks. His remarks are awaited. He has been specially reminded. Regarding whether his remarks on the addl. allotments may be sanctioned or after receipt of E.O.E.(S) remarks:
